

CHRISTMAS TREES & LIGHTS in STOKE-SUB-HAMDON

This year Stoke Parish Council have put up several Christmas trees and lights and a flag pole Christmas tree at the memorial hall to bring some Christmas cheer to our lovely village. We are hoping that next year more people will come forward to have a tree put up so we can extend this new venture 🎄

We need to say some very big thankyou's to all the volunteers who helped to make this happen - To Craig from True Tree Care who helped put up most of our trees with his cherry picker. To Harry from Castle Farm Christmas Trees for supplying us with our lovely trees.

To Tesco's Yeovil for their donation of some Christmas lights.

To Cliff and Jim for finishing off the trees on Sunday and helping the parish council through this process.

To Florence from the Hive for coming to our electric rescue.

To my brother-in-law Adrian Johnson for his help and advice.

To Jake from Ham Hill Electrical Services for his advice and for our electric box.

And finally, our RFO Terry, our Clerk Gilly and all the parish councillors involved throughout this project. Wishing everyone a very Happy Christmas 2025

Suzanne Nelms Chair Stoke Parish Council
